Dear Sirs:

I would like to lend my support to the May 24, 1994, Proposed Rule on Respiratory Protective Devices (42CFR Part 84 Fed. Register Vol. 59, No. 99 pp. 26850-26893). I feel that this first step recognizes that the certification process finally addresses the health care setting and that the 95% filter efficiency should be acceptable for most health care worker needs.

Sincerely,

Mary Beth Baker, R.N.
