Dear Sir or Madame:

Pro-Tech Respirators, Inc. wishes to participate in the public meeting you are holding in Washington D.C. on January 27 & 28, 1988 regarding 42 CFR Part 84.

Our spokesman will be William Moon, President, Pro-Tech Respirators, Inc.

We would like to present our views on the specific impact of the proposed rule on Pro-Tech Respirators, Inc., as well as addressing the consequences of the proposed rule on users of respiratory protection equipment and development of improved respiratory protection devices in the future.

We request the maximum amount of time which we understand is 15 minutes.

Yours truly,

William F. Moon
PRESIDENT
Pro-Tech Respirators, Inc.
