Gentlemen:

This is to inform you that the Occupational Safety and Health Administration (OSHA) intends to participate in the public meeting on the Revision of Tests and Requirements for Certification of Permissibility of Respiratory Protective Devices Used in Mines and Mining to be held in Washington, D.C. on January 27, 1988.

OSHA requests 15 minutes in order to discuss procedural and technical issues and to present additional detailed written comments for the record. It is anticipated that a four-person panel will participate.

Sincerely,

A handwritten signature in cursive script, which appears to read "Charles E. Adkins".

Charles E. Adkins  
Director  
Health Standards Programs
