Dear Mr. Moran:

I recently received information from the 3M Company lobbying for comments regarding the proposed revision of 42 CFR Part 84.

As an employer who uses respiratory protection for many applications, we are obviously concerned with any proposed changes which may effect operations.

Please provide me a copy of the proposed new standard 42 CFR 84 for review and comment.

Thank you for your assistance.

Sincerely,

WILLIAM A. HENDERSON
City Safety Officer
