I have completed a preliminary review of your new publication titled:

Preventing Occupational Respiratory Disease from Exposures caused by Dampness in Office Buildings, Schools, and Other Nonindustrial Buildings

You cite the 2009 WHO report as one of your primary sources. I want you to be aware of some of the shortcomings of that report. My response to the WHO is provided at the following link:

http://truthaboutmold.info/yahoo_site_admin/assets/docs/WHO_Submission_Oct_7_2009_complete_report.112111425.pdf

Thank you for asking for our comments.
