

# STOP!

- If you are 65 or older

OR...

- If you have health problems like—
  - diabetes
  - sickle cell disease
  - cancer
  - HIV

OR...

- If you have problems with your—
  - heart
  - lungs
  - liver
  - kidneys

**Ask your doctor about the pneumococcal shot today!**

- It is safe and can help keep you healthy!
- It does not make you sick
- Medicare/Medicaid pays for it

---

Ask your doctor or health care provider for more information.
